Subject: Urgent **Appeal for Donations – Cebu Earthquake Victims**

On September 30, 2025, a magnitude 6.9 earthquake struck Cebu, Philippines, with its epicenter near Bogu City. The shallow depth intensified its destructive force. As of October 1, reports confirm at least 69 lives lost, more than 150 injured, and thousands displaced as homes, schools, churches, and bridges collapsed.

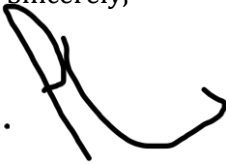

The **Bridge of Hope Humanitarian Corp** is mobilizing relief efforts to help provide emergency shelter, food, clean water, medicines, and long-term rebuilding support. We urgently appeal for your financial assistance or in-kind donations to reach the most affected communities.

You can send your donation to our website: **BHHC-USA.com or thru zelle at 407-575-6262**

Your usual generosity will bring hope and relief to families in Cebu during this critical time. Thank you for standing with us.

Thank you and be blessed!

Sincerely,

BISHOP PEDRO LANDRAU
